

Breakout SESSION 1

HOW TO OFF-RAMP **B1**

Considering shifting to home education? Hear from other parents whose homeschooling journey began after their children attended public school.

GAME ON! **B2**

Take a look at the homeschool sports landscape in the Waco area and learn about local resources.

SMART STRATEGIES: SUPPORTING KIDS WITH LEARNING DIFFERENCES **B3**

Learning differences and delays do not preclude homeschooling. The Baylor Speech Clinic discusses dyslexia, autism, and/or speech delays.

HOMESCHOOLING WITH LITTLES **B4**

Practical strategies for homeschooling young children while caring for babies/toddlers to help your days run smoothly with little ones in the mix.

ENCOURAGING PARENTS WITH BIBLICAL TRUTH AND SCIENTIFIC RESEARCH **B5**

Using a biblical framework and scientific research, Dr. Brian Ray will encourage and challenge parents, for the child's gain and God's glory.

Breakout SESSION 2

PLANNING WITH A PURPOSE **B1**

Join us as we walk through options and ideas for planning your homeschool rhythms.

EXPECTATION OF GRADUATION **B2**

Demystify the homeschool graduation process with practical tips to help you finish strong.

PRACTICAL WAYS TO TEACH LOGICAL FALLACIES & BIASES AT HOME **B3**

Kathy Gibbens shares simple ways to teach your kids how to spot logical fallacies, recognize cognitive biases, and ask better questions.

A HOMESCHOOLER'S PERSPECTIVE **B4**

A moderated Q&A panel with current and former homeschooled teenagers/college students.

BEHOLD THE CHILD: CREATED TO MOVE, DESIGNED TO LEARN **B5**

Bring learning to life through movement, play, and connection as you strive to behold the unique way God designed your child.

Breakout SESSION 3

STAY-AT-HOME MOMMIN' **B1**

Encouragement and relatability for moms of littles seeking to faithfully disciple their children.

THE WORKING HOME EDUCATOR **B2**

Is homeschooling possible for two working parents? A panel discussing ideas for building homeschool around your family's life and needs.

PRACTICAL WAYS TO TEACH LOGICAL FALLACIES & BIASES AT HOME **B3**

Kathy Gibbens shares simple ways to teach your kids how to spot logical fallacies, recognize cognitive biases, and ask better questions.

NAVIGATING COLLEGE ADMISSIONS **B4**

Learn from colleges and universities about their current admissions guidelines and hear from parents who have previously walked this road.

ENCOURAGING PARENTS WITH BIBLICAL TRUTH AND SCIENTIFIC RESEARCH **B5**

Using a biblical framework and scientific research, Dr. Brian Ray will encourage and challenge parents, for the child's gain and God's glory.
